TO WHOM IT MAY CONCERN

We have no hesitation in recommending Nigel Edgecombe & his team at Classic Construction.

Our kitchen extension was recently completed by Classic & from commencement to completion we have been highly delighted with the standard of work, the cleanliness & also the fact that the job was completed within the time quoted to us. Unlike other builders who take ages to get the work finished!

Our extension which is on the front of our house has enhanced the property tremendously & all of our neighbours have commented very favourably.

To say we are pleased is an understatement, we are extremely impressed .Indeed a "Classic " job.

Yours faithfully

Bill & Hilary Slater.
