Dear Nigel,

Re: Loft Conversion at Higher North Mill.

I would like to confirm that we are very satisfied with the work you have carried out here in converting our loft space into two rooms plus a bathroom.

We have found your firm reliable and have appreciated your positive and helpful attitude when, in some cases, we caused you more work by changing our requirements.

You arranged access and scheduled your work to cause us, and our guests, least disturbance and I have been impressed by your attention to detail and the trouble you have taken to make sure that every aspect of the work carried out has been completed to a high standard.

It was also of great advantage to us that during your work you have found and repaired loose tiles and other potential problem areas in the old roof.

As you know we are having you back to do further work and I would recommend you to our friends.

Yours Sincerely,

John

John Bartlett.
